Southgate Recreation & Park District / 3
The summer openings of the New Aquatic Center and Pat O’Brien Community Center really revved up the fun in our community. This fall, you’ll find plenty of action in both locations.

While we’re throwing the spotlight on the newest additions to our community, many of the classes and events featured here are also happening at Fruitridge and Rizal Community Centers.

New Aquatic Center

The kids may be back in school, but there’s still plenty happening at the new pool through the end of October. Activities include lap swimming and Saturday group swim lessons for the ages 6 months and up and private lessons for all ages and abilities.

The popularity of our new Float Fit, Aqua Spin, and Water Aerobic classes continues to grow. By participant request, we’re lengthening some class times to 45 minutes. We’re also working on ways to expand class sizes so that more can join in the fitness fun.

Activities for Little Ones

We offer activities geared to our youngest community members and their families, like our Baby & Me Playgroup for parents/caregivers and babies up to 18 months old. Baby & Me happens the first Thursday of each month from 10 - 11 a.m. It’s a great way to meet fellow parents and help babies get an early start on socialization skills. And it’s free!

Future NBA and WNBA stars can get off to an early start with Hoop N’ Holler, for boys and girls ages 3 to 5 and their parents. These energy-burning classes are offered once a week for 45 minutes. See page 26 for details.

Book Your Next Event

Don’t forget! Both new facilities are available to rent for your next event. Visit the Parks & Facilities section of our website (SouthgateRecandPark.net) to learn more.
Adult Sports and Fitness

The new community center is quickly becoming a destination for sports and fitness enthusiasts. Classes like Zumba, hatha yoga, dance, high-intensity interval training (HIIT), and adult self-defense are filling up fast—check out the class guide for details and be sure to sign up soon.

We’re also featuring team sports activities Monday through Wednesday evenings:

**Monday – Co-Ed Basketball Drop-In**

Come out for some drop-in hoop action every Monday evening from 7:15 – 10:15 p.m. The cost is $5 per session. Our goal is to set up a league, so bring your friends out to get things rolling!

**Tuesday – Co-Ed Rec Volleyball League**

There’s been so much interest that we’ve set up a co-ed rec league on Tuesdays from 6:30 to 9:30 p.m. Cost is $250 per team.

**Wednesday – Women’s Volleyball Drop-In**

Help us get some league action going at Pat O’Brien by coming out for drop-in sessions every Wednesday from 7 – 10 p.m. Sessions are for players over age 18 and cost per session is $5. Go to page 31 for more details.

Kids and Teens

After sitting in the classroom, kids and teens need to move and have fun. Martial arts, yoga, dance classes…the options are endless! We also offer youth recreation sports leagues, sports camps, and fun special events like our pizza-making workshop. See page 27 for details.

Seniors

Since staying active is one of the best ways you can live a long and healthy life, we offer a growing variety of classes and activities geared to seniors but open to interested adults of all ages. Our walking and fitness classes—including our very popular Tai Chi, Walk with Ease, Aqua Spin, and Young at Heart—are great ways to get out of the house, make new friends, and stay healthy. We offer enough choices that you’re bound to find something that you’ll enjoy. Check out pages 34-35 for details.

Learning Opportunities

Keep your mind limber and fit, too, by taking advantage of some of the classes now available at the Pat O’Brien Community Center. This fall, we’re offering classes covering nutrition and food safety, meditation, cookie and cupcake decorating, watercolor painting, and more. Check out pages 22-35 for details and sign up today!

Teach Us Something New

We’re always looking for ways to bring new ideas into the community. If you have a special skill and the qualifications to teach it to others, we’d love to hear from you. This year’s event was not only the best one yet—with plenty of entertainment and delicious strawberry treats to go around—it also attracted the most people, with more than a thousand festival goers. From food trucks to live music and the classic car show, there was definitely something for everyone to enjoy! The Strawberry Festival’s raffle raised money for the Florin Historical Society scholarship fund, which helps cover college costs for deserving high school students who live in the District and hold a high GPA.

The historical society is already gearing up for next year’s festival, scheduled for June 13, 2020, so mark your calendars and be sure to attend. Jr. Giants

Great Hit!! This year, Junior Giants kicked off to a huge start, surpassing our participant goal by the end of the first week. For 2019, Junior Giants had 280 registered participants throughout three divisions: T-ball, minors and majors. This year Jr. Giants had six teams in each division that practiced Monday through Thursdays and played games on Friday nights and Saturday mornings. It was an exciting season that saw teams come into their own over the course of the summer and individually participants built up not only their baseball skills but also benefitted from S.T.E.M. (science, technology, engineering and math) education that is part of this great program.

Junior Giants is a free, volunteer-based, noncompetitive league that provides agencies and families a way to come together and teach the fundamentals of baseball along with character development, teamwork, leadership, confidence, and integrity. The program also focuses on health, education, and bullying prevention. We are excited to offer a softball division in 2020 and will have information regarding the upcoming 2020 season in the spring 2020 Southgator.

Southgate Soccer Club

Southgate Soccer Club has been serving the south Sacramento area for almost 45 years. The club was founded in 1979 by community volunteers who felt that creating this organization would give back to local kids and give them a sense of purpose and belonging.

Southgate Soccer Club helped establish what we know as Southgate Recreation, Inc. (SRI) to create and build a close working relationship with Southgate Recreation & Park District and improve recreation and youth sports opportunities for our community.

A seven-member board of trustees manages SRI with a mission to sponsor, promote, and initiate recreation, cultural, and educational activities for the residents of the Southgate community. Today, SRI continues with the same mission and grants sports field permits to member agencies. The sports agencies are given permits to allow for practice and league games throughout the year. Groups also work through SRI to obtain field permits for Elk Grove and Sacramento City Unified School Districts.

Southgate Soccer Club is a nonprofit volunteer organization and a member club of the Cosumnes River Recreational Soccer League. This league focuses on recreational soccer for children in the surrounding south Sacramento area. Southgate Soccer Club’s goal is to teach kids love of the game, keep them active, and help them learn life skills by playing in a team sport. When asked what she hopes participants will learn and gain while playing with her organization, Club Manager Cherise Gallegos stated, “I hope all the kids gain great memories, new friendships, and learn how to be a responsible team player. I also hope the kids take away skills on how to work together in a group setting and achieve a team goal.”

Southgate Soccer Club offers a fall league program that runs from August to December and serves kids ages 4 to 19. When asked what makes her club stand out, Gallegos said, “Our club offers an alternative to competitive sports programs that can be costly and not feasible for all families. We want to make sure all kids have the opportunity to play and enjoy a sport at a low cost.”

A group of volunteer board members who share a passion for the game manage Southgate Soccer Club and work hard on and off the field to make sure kids have a great recreational soccer experience. Southgate Soccer Club is excited to host its annual Jamboree, which includes scrimmage games, a soccer shootout competition, raffles, food, and lots of vendors. The Jamboree event is held at Jack Sheldon Park every year in the fall. Check out Southgate’s website for more information on how to register and be a part of this year’s Jamboree.

**Southarea Recreation, Inc (SRI)**

Southarea Recreation, Inc. (SRI) was established to improve recreation and youth sports opportunities for the Southgate Recreation & Park District community. Managed by a seven-member Board of Trustees their mission is to sponsor, promote and initiate recreation, cultural and educational activities for the residents of the Southgate community.

SRI was established in 1976 at the request of the Southgate Soccer Club and the Southgate Aquatic Club to build a close working relationship with Southgate Recreation & Park District. Today, SRI continues with the same mission and grants sports field permits to member agencies. (See agencies listed). The sports agencies are given permits to allow for practice and league games throughout the year. Groups also work through SRI to obtain field permits for Elk Grove and Sacramento City Unified School Districts. Individuals interested in an opportunity to get involved and stay connected with youth and youth sports should consider participating on the Board of Trustees.

For more information about joining SRI, please contact Richard Lincoln, Recreation Manager, at rlincoln@southgaterecandpark.net.
Sacramento Housing and Redevelopment Agency awarded the District a $150,000 Community Development Block Grant for Nicholas Park located at 6597 46th Street. The project consists of installing playground equipment for children ages 5 years and older within the existing northern playground area. In addition, the project will include adding an access ramp and some sidewalk repairs to improve Americans with Disabilities (ADA) access; replacing playground sand with wood fiber; and installing benches at select locations. At this time, a playground structure has been designed and selected, and the project has gone out to bid. The District anticipates construction to be completed this fall.

Southgate Recreation & Park District prepared and submitted grant proposals to revitalize Nicholas Park and rebuild and reopen the Rutter Swim Center along with other improvements to Rutter Park. Proposals were due August 5, 2019, for the first of three rounds of grant funding. Community participation was vital to each grant to build a proposal that works for the community. So, thank you for showing up or completing our online survey! The grants are highly competitive, and we will not know if funds will be awarded to either project until the end of 2019. Even if we are not successful this time, what we learn will improve our chances in future grant cycles. The grants are funded as a result of Proposition 68, which voters approved on June 5, 2018. The measure authorized $4 billion in general obligation bonds for state and local parks, environmental protection, water infrastructure, and flood protection. The bulk of park funding is determined through the competitive Statewide Park Program (SPP), administered by California State Parks. It is a competitive grant that will award over $650 million across California to park projects in underserved communities; meaning the community has fewer than 3 acres of park space per 1,000 residents or the median household income is below $51,026. The District is excited about the SPP grant program as it represents a chance to revitalize parks in the District’s historic neighborhoods. If you would like to learn more about these grant proposals, please contact Vince King at (916) 428-1171 or by email at vking@southgaterecandpark.net.
LARRY GURY COMMUNITY PARK UPDATE

Larry Gury Community Park, located south of Arnold Adrani Elementary School in the Vineyard Springs Community, continues to move through the permitting process. Improvement plans and building permit applications have been submitted to the Sacramento County Building Permits and Inspections Office for review and approval. This is a time-consuming process and may involve multiple revisions before permits are issued. However, the District is working closely with all the permitting agencies to keep the project moving through the process. Once the District has building permits in place, the project will be put out to bid for construction. We understand that the neighborhood has been waiting a long time for this park and sincerely appreciate your patience. We hope to start construction of the park in late spring 2020.

JACK DAVIS PARK IMPROVEMENTS

Jack Davis Park has recently undergone significant improvements thanks to support from Kaiser Permanente. The new KaBOOM! Playground structure and Sacramento Kings basketball court are welcome additions to the South Oak Park neighborhood! The District and the Sacramento Housing and Redevelopment Agency (SHRA) are working to expand Jack Davis Park and make additional upgrades that include expanding the park with new turf, lighting, paths, and landscaping. Improvement plans have been completed and construction of the expanded park space is anticipated to begin in the spring of 2020.
Don and Brenda Nottoli Community Park is open! On Saturday, May 18, 2019, more than 300 people came out to celebrate the opening. They enjoyed two bounce houses, face painting, R.E.C. Van activities, arts and crafts, and many other activities. The park features two lighted sports fields, a dog park, tennis courts, lighted full basketball court and one-half basketball court, wheelchair accessible playground area, restrooms, and shaded picnic tables. Supervisor Don Nottoli, his wife Brenda, and friends attended the ribbon cutting officially welcoming the public to enjoy the new park.

After years of anticipation, the Pat O’Brien Community Center and The New Aquatic Center are now open! On Saturday, May 25, 2019, Southgate Recreation & Park District staff hosted its long-awaited grand opening. Guests were welcomed with information on classes, tours of the facilities, REC Van activities for the kids, bounce houses, and demonstrations of indoor and outdoor activities being offered (for all ages). The crowd was treated to a lunch of hotdogs, chips, and beverages. Highlights of the day included the unveiling of the two pools, spray play area, and our new aquatics fun run. Pat O’Brien, his wife, family, and friends joined staff in this joyous ribbon cutting, and many attendees stayed on to enjoy the water.
Wild Wahine Comes to WildHawk

A little bit of Hawaii came to WildHawk this past June 19, when 144 women descended upon WildHawk wearing various versions of Hawaiian garb to enjoy the annual Wild Wahine invitational golf tournament hosted by the WildHawk Women’s Club. Now in its 18th year, Wild Wahine is always a sellout, thanks to Karen Allejo of the Women’s Club. WildHawk staff also ensures the day is special by greeting the women in the parking lot when they arrive and transporting their clubs to their awaiting golf carts.

The women bring delicious foods and to enjoy throughout the day, and the day ends with a mouthwatering BBQ in the WildHawk Grille.

While it’s always fun, the Wild Wahine also serves as a fundraiser for junior golf and local charities, such as Loaves and Fishes.

The Wild Wahine is just one of many events that the WildHawk Women’s Club hosts each year. Their Halloween Tournament is just as festive and fun, as are all their holiday-themed events. Enjoying fun events is just one reason you should consider joining the WildHawk Women’s Club. The camaraderie is great throughout the year, and they play some serious golf, too. To get more information on the Women’s Club at WildHawk, visit us at www.wildhawkgolf.com.

The First Tee Junior Program

Summer may be fading, but junior golf is still going strong. WildHawk runs its junior golf program through November with weekday and Saturday golf clinics that are perfect for an after-school activity. The clinics are six hourly sessions for $89.95. These clinics are a great way to get your child started in golf. WildHawk instructors teach all the basics to get your young golfer hitting the ball in the air and knocking it in the cup.

WildHawk is an affiliate course of The First Tee of Greater Sacramento and follows all of The First Tee curriculum. Our weekday classes are Tuesdays for ages 5 - 8 and Thursdays for ages 9 - 17. Starting time for both classes is 4 p.m. The Saturday junior clinics begin at 9 a.m. for ages 5 - 8 and 10:30 a.m. for ages 9 - 17. All classes are one hour long.

For class dates, call the WildHawk Golf Club at 688-4653 or visit WildHawk at www.wildhawkgolf.com for more junior golf information.
WildHawk’s Players Club

The Players Club offers two options to play WildHawk as an annual member and receive some great discounts and benefits.

- **The Eagle Club** costs $199 to join, and members pay $40 weekdays and $50 weekends to play. Both fees include green fee and cart and are $8 off the normal price. Other benefits include advance reservations, early twilight rates, complimentary guest passes, two-for-one drink coupons, and more.

- **The Players Club** costs $99 per year to join. Players Club members receive a 10% discount on green fees and carts whenever they play. They also receive advance reservations, early twilight, a complimentary guest pass, two-for-one drink coupons, and more.

The WPA hosts tournaments like the match play and club championships, NCGA qualifying events, and other fun events throughout the year that allow members to have fun, play golf, and meet new people. So, if you’re looking to play some serious golf or just looking to play some fun events, consider joining the WPA. Visit www.wildhawkgolf.com for more club information.

AERIFICATION? WHAT IS THAT?

Twice every year, we aerify WildHawk greens. After working on golf courses for almost 50 years, I know that each spring and fall at least one golfer will ask, “Why are you aerifying the greens? They’re perfect right now!”

Yet it’s the fact that we aerate every spring and fall that keeps our greens in good condition. Greens aerification is the process of mechanically removing cores of soil and replacing them with sand top-dressing that is dragged into the open holes to leave a smooth surface upon healing. We add several soil amendments during the process, including fertilizer, gypsum, water penetrant, and bentgrass seed. The process increases the length and mass of turfgrass plant roots, which helps plants withstand the hot summers we typically experience.

The process also helps alleviate soil compaction and allows for better water and air movement through the soil, which contributes to healthier turfgrass. Healthier turfgrass can better withstand the pressures of pests, weather, and golf traffic on a busy public golf course.

While greens aeration is a very necessary practice, we recognize that it comes with drawbacks. Golfers become frustrated with the putting surfaces just after aerification and through the healing process, which usually takes about two weeks. The greens are somewhat bumpy and slow until they have fully recovered. To compensate for the inconvenience, our Wildhawk Golf Club often offers discounted rates during the first week following aerification.

Keeping putting greens in optimal condition is a yearlong battle that requires a great deal of effort and attention. Aerification is a very important part of that process. The next time you’re playing WildHawk Golf Club on a blistering hot August day, remember that it’s the maintenance crew’s hard work during aerification and throughout the year that makes it possible for you to enjoy some of the best-kept greens in the Sacramento area. We don’t like the inconvenience aerification causes golfers, but there is a method to our madness!
